Most well known trout streams in central and south-central PA are limestoneers. The same is true of the lehigh valley.

SEPA has a few, but I ain't talkin'. 😊

Keep an eye open for this book:

[http://www.amazon.com/Trout-Unlimited ... one-Streams/dp/0811729443](http://www.amazon.com/Trout-Unlimited...one-Streams/dp/0811729443)

DO NOT spend that kind of money for it. That's just amazon scammers trying to make a buck off idiots. I got it for \$5 or so.
