I take a peanut butter and jelly sandwich to eat on the ride to the stream along with a thermos of coffee. For the day, it's some sort of granola bar or trail mix and water. I fish 4 or 5 hours at a time now (the day's are long gone when my back and legs would allow me to fish a 12 hour day. And I sit and watch a lot as well. When I'm done I usually look for hamburger stand.

I ran across a guy once who was taking his lunch break. I kid you not, he had a camp fire going and skillet and was sauting steak and peppers. I figured he was on an alogether different fishing track from me. 🍗
