I feel that Jay is fairly accurate but seems to have an issue casting with the wrong hand. Seriously, the first 4 guys I fished with from here were lefty. What's that all about?

I enjoy fishing dries and will try to a majority of the time. If nothing's doing up top, I'll nymph. Usually done in 10 casts but getting better at doing it for longer periods. I nymphed for 5-6 hours straight on the WB w/ Alpa and EsopusGuy. Streamers, usually fish them during low light. I don't have to catch a ton, been there done that. I'm just happy to be on the water.
