I'm a hack at best. Left handed hack to be more accurate. I've learned to love dry fly fishing and am very close to hating nymphing.

Streamers are cool especially in cloudy water. I can dig it.

Jay throw that pattern I gave you upstream 40 or 50 ft and just strip in the line as it comes back to ya. You'll love it!

I've also been toying with the idea of learning to cast righty. It's gotta be easier than trying to lay out a back cast.

BTW I DID throw my rod in the Tully on a cast once when it was ripping. God that day sucked.
