>>4 phases of a fisherman:

First, you just want to catch them,

Then, you want to catch a limit,

Next, you want to catch a monster,

And finally, you want to catch them the way that you want to catch them.>>

Dahlberg said this? It's much, much better than that other "progression of an angler" thing from a lot of fish to big fish to difficult fish.

I always suspected that some twit at the New York Times made that up..
