I chuck big fat streamers. It's not the only type of FF'ing I do, but I do it a solid 7 out of ten trips. I throw wets 2 of the other three times and if I hit a hatch at exactly the right time or have a few ants on me I'll throw a dry. I also sit streamside and smoke cigars, drink bourbon and watch the creek, but not as much as I think I am going to when I leave the house. 🍷
