Franklin: I may not have phrased what I had to say as well as I might have.

I'm not poo-pooing your idea. I believe it to be a good plan.

I'm just using the notion to allow me to consider the enormity of what is going on.

Jack: What you had to say is true, but there's also the fact that a lot of farmers (depending on what they are growing) don't wait for the rain. They irrigate with water withdrawals by permit or whatever. So, to a certain extent, we're right back where we started..
