Hello,

I hope you had a great summer. Now it's time to get back to our meetings and fellowship to share all your fishing stories with your friends at SCTU.

This Tuesday, Sept. 14, 7:30pm at the Kingston VFW we have George Daniels from TCO presenting his program "Seductive Streamers". Join us to find out George's secret patterns and fishing techniques.

On Tuesday September 21, 7:30pm also at the Kingston VFW the SCTU Wyoming Valley Fly Tyers welcomes award winning Fly Tyer Richard Grencavich. You can read more about Rich on the web site [www.SCTU.org](http://www.SCTU.org) Rich will give a demonstration on "Tube Flies". Please join us for this unique experience not many fly tyers are familiar with.
