Believe me when I say, I am very appreciative! I would like you to take a ride with me down to TCO Bryn Mawr in a couple weeks to pick up supplies. Outdoorsman has a stack of what I'll need down there ready for me to pick up and would like you to be able to help me pick up a couple extras.

I've got some tools for you, too. You need to pick up a few, but I'd say around \$10 should be enough to get the rest of what you need.

Time to tie some flies of your own.
