Believe me when I say, I am very appreciative! I would like you to take a ride with me down to TCO Bryn Mawr in a couple weeks to pick up supplies. Outdoorsman has a stack of what I'll need down there ready for me to pick up and would like you to be able to help me pick up a couple extras.

I have most of the tools covered, but you can fill in the blanks, and grab some tying materials while we're there. I've never been to TCO Bryn Mawr, but TCO Reading has the best tying selection in Eastern PA. We need a TCO Allentown - Rt 222 is a PITA, especially on weekends. If the Bryn Mawr store has half of what the Reading store has, you'll be good to go.
