Fished Pine Creek the afternoon of 9/13/06.

Weather Cloudy - Rain-Cloudy

Water Temp 58 deg

Water Level - Higher than Normal

Water Clarity - Clear

Fished upper reaches of Pine Creek near Darling Run in the afternoon. Saw minimal hatch activity (but maybe due to rain).

Caught one 10" RB, and lots of shiners (kept it interesting).

Flies used:

Parachute Adams

Wooly Bugger Black

Pheasant Tail Nymph

Green Weenie

Streamers

No other anglers (or canoes) were nearby which added to the enjoyment!
