1. No, for many reasons I have noted before. The only point I acknowledge from the other side is that streams do need friends when they're in trouble. Otherwise, I hold fast to the NO position.
2. JayL and Ryan: I feel the same way you do, but it's a losing battle, I'm afraid.

I was kinda joking anyway. We can only police ourselves, I choose not to post names or at least exacty spots of numerous places I fish. That's really all you can do.
