I dont think it is that hard. I mean I took my friend out for only his second time fly fishing and he caught fish.

Its not, and its still boring.

Sorry for derailing the thread, and yarn thingamabobbers are cheap and easy I don't have to think about pennies if I snapped one off, which I'd have to use to do so anyways.

Hey, look, my batteries just about dead.. Third post all I had to say on this.
