Gfen, do you dispute any of my comments about the techniques or challenges of nymphing?

Not sure, mostly because it went on and on about an uninteresting topic in what appeared to be great detail, and I didn't bother to read it.

Cool...can't argue about the recreation aspect...For me, it's just plain quiet time, and relaxing and theraputic as well.

Regarding the "went on and on about an uninteresting topic" comment, keep in mind that this is the beginner forum, and my intention was to give some insight to beginners that read the forum.

Tight lines to you my friend.
