It's still hard to beat the Cortland 444 Peach.

Good Luck,

Unless you hate it, which some of us do. I ended up giving mine away it was so bad.

I actually like the cheaper Cortland lines the 333 is good and holds up. I like the Orvis Wonderlines too. Scientific Anglers and RIO make nice lines. The most expensive lines are the softer ones, and these will not hold up as long as the cheap, hard ones.
