Wooleybugger,

Thanks, I assumed you were upriver based on the numbers of fallf... er, I mean chubs you mentioned 😊

I like catching them too, I just embrace the idea that they are "rough fish" and prefer to call them chubs.

What a shame about the lower Susky. Best fishery in PA is gone in the course of just a few years....

Tim

ps. See my photo of a Penns Creek Chub from the '01 Jamboree in the gallery. It took a brown WB:
