Flybinder, absolutely genius!! way better than the crap I was gonna try!

Mediclimber, I will agree with the drinking the "good stuff" I do drink beer but I also have a full bar stocked with well over 50 bottles. I happen to have a bottle of Walker blue label that I haven't opened yet.

Do you fish from your yak? and which yak do you have.

I have a Liquid Logic Manta Ray 10 outfitted for fishing with 4 rod holders and a fish finder with an anchor trolley system.
