"Rack Rates" as shown on their website or was there a discount negotiated? Either way is fine, just asking before people start calling.

Well being there are four picnic tables in the pavillion.....I imagine there that there is a sufficient stage for Jack (CoCo) to strike a deal with the owners.

It says \$25/night for 2 in a tent site.....(10% discount for 2-3 tents) I would also imagine we get all tent sites for at max \$22.50/per Being we will consume over 10 and likely 20 sites.
