jdaddy,

Certainly not way out of line. It is a great idea, but don't want to step out of bounds on this site. I love this site and enjoy meeting you all as well as fishing with ya. I do hope to make a "Jam" this year.

I have so many ideas from the information I have gathered just from talking with anglers and reading some of the content here. Know we will knock another good book out. I love reading and have a nice selection of books. There are many good ones out there and still after all these years some topics not touched on yet.

Mike

I call dibs on fishing with Mike at the Jam! In!
