I have the new Grey's StreamFlex XF2 11' 4wt. This is an awesome nymphing rod. It feels perfect in the hand. I also own the 10' series in 3 and 4wt and always wished I had that extra ft. In my opinion this is the best Euro nymphing rod on the market for the money. The 11' rod has a perfect taper and action for all types of nymphing. You can throw a 30' Spanish leader or a short 8' CZECH style leader. Any questions about the rod you can pm me.
