No pictures but I caught an 18.5 inch rainbow on penns this year. First time I fished the green drake hatch and I caught him on a fly I tied.

Also caught the largest brookie to date... It was about 12 or 13, I don't rememeber exactly. Caught him in mid summer so I sent him home as quick as possible. I caught him in a local stream I've grown to love. Took a dry fly and put up quite a fight on the 3 wt.
