Jayl have you seen the new streamflex FX2 plus. Very interesting concept. I felt the rod at the show and with the extension it truly changes the action. A 9' 6" rod that houses a 6" extension in the handle to convert to a 10'. Im not quite sold on it yet.

Ya, I'm not sold on it either. 9'6" rod is great for xxx but when it's not quite enough add 6" and it's great for xxx. Greys/Hardy has some great rods and concepts, but I can't see the value in this one.
