Kid.....do you mean Pine creek in SWPA? or the Pine creek up state? Piney Run , Somerset county?
Alby.....i too can't wait to skitter that first stonefly imitation over the top , that's my go to thing right off the bat
in the spring , i caught a couple nice holdover browns from Laurel Hill creek last year , the first part of March ,
there was so much snow but those stones only need it to warm a little and it's on.
