Your not jokin there, we must have bumped into one another back then. I used to hang at Herb's bait & tackle. Just about lived at that spot when i was down there. also fenwick and cape henlopen. can't forget the big weakies in the old channel back behind the coast guard station.

Yeah, the good ole days. 😊

Is Herb's still in business? I never fished back of the Coast Guard station as I was strictly a shore fisherman but often heard about great catches there. I had a souped up beat-to-heck 71 Ford Maverick with a built 302 and 4 speed. Used to sleep in my car at the parking lot at Indian River and fish all night. In 1994 I was driving out of Cape Henlopen SP and was rear-ended by a truck pulling a large camper. Fortunately, nobody was hurt but the old Maverick was a total loss (bluebook value of \$50).

The glory of youth.

Thanks for the memories. 😊
