I got a pretty good chuckle looking at the OP, with skin mounted wild brown and signature line "Protect the resource, let them go".

You're easily amused. That's one of a total of 2 (both worthy of mounting) wild trout that I've kept in 30 years of fishing. Do you find that contradictory to my sig to the point that it's necessary to mention?

Give this man a valium. I think jdaddy was poking you in the ribs, not calling you out. Chill. Breathe. Relax.
