Joe, I don't "need" any rods, its just nice to have a variety. I'm calling it my Valentine's Day gift for myself. I'm prob going with the Grey's 11' 4wt and either an Echo 10'6" 3wt or a Grey's 10' 3wt. I thought about an 11' 5wt, but I already have a few 9' 5wts and 6wt and a 10' 7 weight, so I doubt it would get used much. If I could find a Cortland Brook for around \$125-\$150 in 10' 5wt, I would probably by it, I'm a sucker for good deals.
