What are your five favorite fly shops? Not online, but local shops. I'm not actually trying to rank them but learn about other shops around the state that I haven't been to but are worth a visit.

Mine are:

1. Evening Hatch in White Haven
2. Fly Tyers Heaven in Sunbury
3. Flyfishers Paradise in State College
4. The Feathered Hook in Coburn
5. Kettle Creek Tackle Shop in Cross Fork
