Neshannock Creek Fly Shop

Main St

Volant PA 724-533-3212

Two others have closed in my area.

The next closest to me is in the opposite direction from PA. I dont know what they're doing there. They're an Orvis dealer but they are into bass and such.

TMF Sport Shop

4081 Sandy Lake Rd

Ravenna, OH

My first favorite was also in Girard OH and it went out of business. I took fly tying lessons there, and they had the best gear around.
