Patriot: To be honest I couldn't tell you exactly we would vacation in the lake George and lake placid areas often and would drive to different locations from there. Sorry I cant be more specific but I was at the maybe 6-11 yrs old when we go up that way and didn't really pay attention to much in those days.

Gulfgreyhound: any time, I will take any chance to learn something I can. I still head down your way a bit but mostly just hit the piers.

Buggy: Just look for a "Prominent" or "University of South Florida" Hat and thats me. I usually hit Montour 4-5 times a week during season. It might be small but there are some nice spots on it and it is convenient for me.
