I'm pretty sure the first book I bought was "Nymphs" by Jim Quick. I still have it but the dust jacket is long gone. I'm looking to sell about two dozen FF books, many are first editions, and was wondering if anyone knew of any used FF book sellers within fifty miles of York?

Also have an extensive collection of Fly Fisherman magazines from the late 1960's to the present. Not every issue of every year but well over 150 issues. Am willing to give these away to someone who would enjoy, not sell, them. Must be picked up at my home or within fifteen miles of York.

PM sent on magazines and on the books.
