One last time on this. We have a group of about 15 interested and nearly committed for April 25-29, 2007. There is still room for more, but we are at the point that a decision must be made on one large cabin or two smaller cabins, so if you are interested, speak now. tomgamber, you expressed an interest, but never got me an e-mail address. Now would be the time if you still have an interest.

Here is a webpage I put together to let you know a little about the trip and planning options: [Smokies Trip Information Page](#)

Send me a PM with your e-mail address if you're interested and I'll bring you up to speed on the planning.
