*me I heard of them, I don't think I'll use them but I'll check them out. Years ago I had these tiny hooks that you put on the end of your tippet to change flies without tying them on. I don't think I ever used them, from what I remember I think Eagle Claw made them.[i][i]*

I almost think I remember those things. I don't think I ever used them either. But that was back when I liked tying knots. Now my fingers are fat and my eyes ain't what they used to be. That don't mean I'm gonna go look for um. I'll keep tying knots!
