Chrome,

I agree with Becker with what he said. I was actually concerned that you were only posting in the swap forum, had no other activity on the board, and were selling high ticket items and contacted a moderator several months ago. ***I was concerned that the gear was either hot or that you might be involved in other unsavory acts.***

What are you now. the internets police?

pleasedon't send ninja cat after me..

LOL

Hey, I didn't want the good people of PAFF to get ripped. Besides, I only send ceiling cat.
