I figured you'd put that spin on it. You and Moore would get along fine.

For what it's worth, I don't know who I dislike more. The far right bible thumpers such as coulter and o'reilly, or moore. So go ahead and push my views into your binary mold if that's what it means to dislike that fat liar.

Again, I'm not a conservative (registered libertarian, if you want to know), so don't say I'm all for what the current administration is doing. Quite far from it, in fact.
