Gfen,

I got copy of, **The Compleat Angler by Izzak Walton** not long time ago from the library of Arthur William Riley 1897-1936 – lecturer in English in Columbia University and Coach of debating in Columbia Collage...! What about that? I haven't read this entirely yet. The first page of the volume said **ESSAYS**.

Some time later I bumped somehow on” **The Incomplete Angler – Fishing Izaak Walton's Favorite Rivers**” by Robert G. Deindorfer, this print from 1977 by Nick Lyons Pub, can't resist to get this one either. Copy comes with Dorothea von Elbe drawings.
