trust me, if your passion is fishing, you will not lose it becoming a guide. Now, 20 years of it, I'm not sure about, but my buddy can't wait to get back to Alaska. The certification process is fun in itself, and hey, you get paid to see some of the most tranquil places in the world.

if you don't have kids... go for it.

Ya. . . he was asking about southern Chester County . . . lol.
