PaulG I know you said you wouldn't be able to make the morning coffee this year. I'm willing to do it. I will bring my electric coffee perk again this year. I think it is a 30 cup perk so it might last a couple minutes in the morning. If I have PaulG's perk as well and we pitch in to defray the cost of the coffee I will be more than happy to do it. I will be arriving on Friday morning sometime. It will be a little late for Friday morning coffee but I can do it for Saturday and Sunday. I'll bring the coffee and an empty can for donations. See you guys in a few weeks!
