Arriving Friday night, too late to fish, hopefully early enough to get the tent up before nightfall. Friend from work will be coming too, he joined me last year, but he'll likely be driving separate and arriving well after dark. He's not a member, just a lurker, so I'll put in for him. His son also attended last year, and is a maybe this year, I'll hold off on that.

I have probably the only canvas tent that will be in the place, so if you see me, feel free to stop by and help me get it up before dark, lol...
