Well, Here's the recipe for mine, as I forgot to include my note cards with the flies.

Rear hook: Mustad 3366, size 4

Thread: 6/0 Light Cahill UNI thread

Foul Guard: loop of 20# mono

Tail: gray marabou

Wing: Barred olive zonker strip

Belly: Minnow Belly (pearl) ice dub, picked out

Collar: Senyo's Lazer Dub, olive over white

Articulation Point: 7-strand beading wire and 2 clear glass beads

Front hook: Mustad 3366, size 1

Thread: 6/0 Light Cahill UNI thread

Tail: white ice dub under gray marabou

Wing: Barred olive zonker strip

Belly: Minnow Belly Ice Dub

Gills: Red Senyo's Lazer Dub

Collar: Senyo's Lazer Dub, olive over white

Head: Golden Chartreuse Fish Skull

Hope ya like 'em...never tried them on trout, mostly because they're bigger than most of my local trout, but they're killer on bass and pike. If anyone uses them for trout, please show me the results.
