I am still waiting on troutslammers rebuttal, this thread is funny as schnit.

I see you are now Jdizzle's biggest fan boy. Did you at least let ED down easy?

So if I own a business and it's successful then you will shut up?

Reselling Cabelas bargain cave leaders isnt't a business

.....
JDizzle and I made smore's the other night, we burnt a piece of wood that he thought he had to save but we could not figure out why.....
