I would also be interested in a warm water jam. Since becoming a PAFF member i haven't been able to attend the spring jam because it's always coincided with my annual adirondack trip, so i'd really like to get to a jam sometime to meet some people from the board n shoot the sh!t, maybe even wet a line. I have kayak and depending on what my roommate is doing, possibly 2. Someone better pick a date/location soon though, my summer schedule is filling up quickly.
