jdaddy,

I am probably not interested in lighting it on fire. It truly is a nice mount, and it would be a shame to see it go up in flames, when somebody could really enjoy having it. I know Golden Rainbows are a "gimmick fish" but there are a lot of people out there that like them, and I would prefer to see it put to use, rather than burned.

P.S. Now a hundred dollar offer might change my mind on that :)

That's cool. I wasn't trying to insult your fish or anything like that, I just like stupid things for the lolz.
