Was in OC Maryland last week with the family and beach fishing was poor. But if you guys are going down and want a good head boat, I highly recommend the Morning Star. He isn't cheap at \$100 but it was one of the best trips I have been on. We were targeting sea bass and when the Captain heard there bluefin tuna in the area he put out 5 lines and we trolled for an hour and a half. We ended up with 5 knock downs 2 hook ups but only one 40" in the boat which was split with all who wanted any. To make sure we got our sea bass fishing in he spent an extra hour and a half out at sea. Trolling with a 55' boat isn't cheap and he worked hard to find and keep us on the sea bass A good captain made for a great day.
