Here you go:

<http://www.mudhole.com/Shop-Our-Catalog/Orvis/Hydros>

<http://www.mudhole.com/Shop-Our-Catalog/Orvis/Helios>

If they feel identical to you, that is all that matters. Rod price seems to correlate directly with higher modulus (newer generation) graphite, but that doesn't equate to how good the rod is to the end user. Case in point, I prefer my 10+ year old St Croix imperial 904 to legend and legend elite 904s.
