I remember where I saw it...I hope that this post is ok (being from non-sponsor). Please delete if its not.

from www.farmingtonriver.com

"The highly regarded Scott A3 rods are being discontinued.....Choose from a selection of 3wt to 10wt rods marked down from \$335.....now \$200 until they are gone. The rods are listed on our Used/ Store Specials page. Call ahead if you want to reserve one.... they will go quick"
