Ed,

I'm slightly offended by the phrase "Catskill mini-jam". It's a major JAM and a hoot-nanny of a gathering. Getting 18 guys to fish that far from home isn't as easy as I thought! :)

In deference to "The Jam" (as in the original), somewhere along the line all the other gatherings became known as Mini Jams. Any multi-day event doesn't deserve to be called a "Mini-Jam", IMHO.

If anyone can pull off an event like this successfully, it'd be you, kray. I got a brief glimpse into what it takes to organize "The Jam", and was amazed at the amount of work Jack put into it. That doesn't even count the amount of time the other mods added....

Take a tip from ryguyfi (he does the Steelhead Jam every year) - donuts. Bring donuts. The better the donuts, the more people are willing to overlook crappy fishing conditions, or planning oversights. Ryan is a freakin' genius. 😊
