jack,

this site is nothing in terms of entertainment compared to what fisherie USED to be. I've also noticed, half here, the eastern fellows, know diddly about steelhead fishing and think it's all about standing beside hundreds of guys. Point being, yes, a lot is done, but there is always more that could be done.

Landowner appreciations baskets, auctions... I see none of that going down. Those guys might be turning into huntingpa inbreds, but at least they are making an effort and giving away their levi's.
