Not true - and you know it. Your good nature doesn't always shine through here for some reason, but those of us fortunate enough to call you friend see things differently. Henceforth, I will no longer make references to you being "sasquatch-like", but instead refer to you as a Wookie. Friendly and caring, but still capable of ripping someone's arms off....

I like the idea you guys got going here. Good stuff, shame I missed the last one. I will do my best to attend this one.
