I agree, the "State Store" system in PA is kinda crazy, and I am all for selling them to private business concerns.

That seems to be a blue law that's antiquated. Although I think privatizing the SP system is a really BAD idea, I think government run liquor stores are a really BAD idea, too. I rarely drink, but I think liquor stores are much better off in the hands of entrepreneurs. Then tax the alcohol sales for revenue. (IMO) 🍷 😊
