Are there any other moderates left besides you and I? 😊

Yes. We're the majority.

...yet our voices are not heard. My theory is the extremists devote more time and energy to their causes and become the squeaky wheels in government.

As far as Darrh Corbett is concerned, consider the heavy-handed budget cuts to education, the arts and social programs compared to the \$20 million grant he signed to renovate PNC field (Lackawanna Co.). The management (NY Yankees + Mandalay Sports Properties) can't get a decent crowd there now (A-Rod's rehab excluded), but throwing school money at it will solve that problem. 😊
